

# Not So in Haste, My Heart

1. Not so in haste my heart! Have faith in God, and  
2. He ne-ver com-eth late; he know-eth what is  
3. Un - til he com-eth, rest, nor grudge the hours that  
4. Are soon-est at the goal that is not gained with

wait; al - though he lin - ger long, he  
best; vex not thy - self in vain; un -  
roll; the feet that wait for God are  
speed; then hold thee still, my heart, for

ne - ver comes too late.  
til he com - eth, rest.  
soon - est at the goal.  
I shall wait His lead.
