By and by we'll see the King,
By and by we'll see the King,
By and by we'll see the King,
And crown Him lord of all.

And crown Him Lord of All,
And crown Him Lord of All,
And crown Him Lord of All,
And crown Him Lord of All.

And if you do not crown Him Lord of All,
And if you do not crown Him Lord of All,
And if you do not crown Him Lord of All,
You do not crown Him Lord at all.

By and by we'll see the King,
By and by we'll see the King,
By and by we'll see the King,
And crown Him Lord of all.
